

## My Last Day at College Quotations for FSC Students

1. "Today marks the end of a chapter, but the beginning of a new journey. Farewell, college days, you will be cherished forever." - **Unknown**
  2. "As we bid adieu to these hallowed halls, let's carry the memories, the friendships, and the lessons learned, for they shall guide us in the years to come." - **Author Unknown**
  3. "In the echoes of laughter and the whispers of dreams, we find the essence of our college days. Farewell, dear alma mater, we shall carry your spirit wherever we go." - **Unknown**
  4. "As we close this chapter of our lives, let's remember that endings are just new beginnings in disguise. Farewell, college, thank you for the memories and the lessons learned." - **Unknown**
  5. "With bittersweet smiles and hopeful hearts, we bid farewell to the place that shaped us into who we are today. Onward to new adventures, armed with the knowledge and friendships forged in these halls." - **Unknown**
  6. "In the tapestry of life, our college days are but a thread, weaving memories and experiences that will forever remain intertwined with our souls. Farewell, dear college, you will be eternally remembered." - **Unknown**
-

7. "As we stand on the threshold of tomorrow, let's not forget the yesterdays that paved our way. Farewell, college, thank you for the memories, the friendships, and the wisdom gained." - **Unknown**
  
  8. "Though the halls may soon be empty, the echoes of our laughter and the warmth of our camaraderie shall linger forever. Farewell, college days, you will always hold a special place in our hearts." - **Unknown**
  
  9. "As we turn the page to a new chapter, let's carry with us the lessons learned, the friendships forged, and the memories cherished. Farewell, college life, you have been an unforgettable journey." - **Unknown**
  
  10. "In the tapestry of our lives, our college days shine bright as golden threads. As we bid adieu, let's embrace the future with open arms, knowing that our time here has prepared us for whatever lies ahead." - **Unknown**
